

**CFA/WSPS Health & Safety Awards
Certificate of Recognition 2019**

CFA & WSPS issue this certificate to

Highland Foundry Limited

For demonstrating its commitment to health and safety excellence by complying with the requirements of CFA/WSPS's Health & Safety Awards, specifically by achieving total injury frequencies lower than their rate group, having no critical injuries, fatalities, charges or convictions under an OHS Act during 2018, and by continuous improvement of their health and safety program.
